

MVMA State Fair Volunteer Sign Up

Aug. 25-Labor Day, Sept. 5, 2011

The MVMA will once again be involved at the Minnesota State Fair and we need your help! Consider volunteering for one or both of our exhibits and join in an experience you won't soon forget.

The **MVMA Surgery Suite** is going into its 20th year of doing ovario hysterectomy surgeries at the fair. This is a great chance to give back to your profession by giving the public an up-close view at the work you do, while educating them about the importance of spaying and neutering their pets.

The **Miracle of Birth Center Exhibit** will be in its 11th year. Last year a total of 184 animals were born during the fair! This exhibit continues to be one of the most popular at the fair and is an important opportunity to educate the public about food animal production and the roles veterinarians play in this industry.

.....
For questions or more info., please call the MVMA at (651) 645-7533. To volunteer, please fill out the form below.

Name _____ Clinic _____

Address _____

**Please Note: important volunteer information will be sent to the address you list*
