

MVMA Family Fun Carnival

Friday, February 5, 2010
5:30 – 7:30 pm

As an MVMA Exhibitor in 2010 you will be participating in the **Family Fun Carnival** night on Friday night, February 5th, 2010 in the Exhibit Hall.

The **Family Fun Carnival** will bring veterinarians, technicians and their families to the Exhibit Hall to enjoy great carnival food, carnival games & prizes and time to visit you, the exhibitors.

- **Your help is needed** to make the **Family Fun Carnival** night a success! Each booth is strongly encouraged to host a carnival game or activity that will transform the exhibit hall into a fun-filled family night.
- The games should be your own unique creation: dart games, spinning wheels, toss games, putting green, hoop games, or dice games would all work. Activities could include a clown, face painting, fortune telling, trick animals, etc... If you need ideas check the website links below or call the MVMA office. These games and activities will draw attendees to your booth and will be fun for all. **Remember prizes and giveaways for attendees!**
- In that spirit, there will be a prize, voted on by attendees, for the best carnival booth. **The winning booth will receive \$500 off booth space at the 2011 convention.** Be creative, have fun, entice the attendees to your exhibit booth!

Thank you in advance for helping to make this event fun and memorable for all.

Share your questions and ideas about **Family Fun Carnival** night, by contacting Kelly at the MVMA office (651) 645-7533 or email kellya@mvma.org.

Please confirm your participation and booth fun activity at the **Family Fun Carnival** night by January 25th by replying to this email.

Remember that the success of this event and attendee enjoyment is dependent on having broad participation by our exhibitors. Some suggested sites for carnival entertainment ideas are below.
